About Us

Al Tayeb Water Technology W.L.L *Landscape Division*

Certified in Ministry Of municipality vendor list

Al Tayeb Water Technology W.L.L – Landscape Division, also known as the Garden Contractor Division, is a premier provider of innovative landscaping solutions in Qatar. Our division is led by a team of highly skilled landscape designers, agronomists, architects, engineers, CAD designers, and specialised professionals, ensuring excellence at every stage of the project.

As the first of its kind in Qatar, we offer a fully integrated service, managing projects from the initial design concept through execution, including plant supply and ongoing maintenance. Our expertise extends to both public and private sectors, encompassing residential compounds, luxury palaces and villas, road beautification, and public parks. With a commitment to quality, sustainability, and aesthetic excellence, we transform outdoor spaces into stunning landscapes that enhance the environment and enrich communities.

Our Vision

Our Vision is to create sustainable environments that bring nature closer to everyday life. We strive to design and develop landscapes that seamlessly blend with living spaces, fostering a harmonious connection between people and nature. Through our commitment to innovation, quality, and environmental responsibility, we aim to transform outdoor areas into vibrant, eco-friendly 'Living Green Spaces' that enhance well-being and sustainability

Our Mission

At our core, we specialise in creating sophisticated, yet simple hardscape designs that elevate outdoor spaces. We focus on customising every detail—from colour and finish to materials and sizes—to perfectly suit each unique environment. Our architects ensure that the hardscaping blends seamlessly with the exterior of the house or building, creating a harmonious flow between the two and enhancing the overall aesthetic and functionality of your space

Landscape Maintenance & Services

We specialise in the comprehensive design, execution, and maintenance of both soft and hard landscaping elements, ensuring long-lasting beauty and functionality for every outdoor space.

- **Garden & Soft Landscape Maintenance** Our expert team designs, installs, and maintains lush green spaces, including gardens, lawns, and soft landscaping elements. We carefully select and nurture plants, trees, and shrubs, ensuring healthy growth and a thriving landscape that enhances the surrounding environment.

- **Hard Landscape & Outdoor Installations** We provide specialised services in designing and executing hardscape features, including pathways, outdoor tiling, pergolas, and decorative stonework. Our expertise extends to creating visually appealing and structurally sound outdoor spaces tailored to meet both aesthetic and functional needs.

- **Swimming Pools & Jacuzzi Works** Our team is skilled in the construction, installation, and maintenance of high-quality swimming pools and Jacuzzis. We ensure that every project is completed to the highest industry standards, delivering luxury, durability, and efficient water management solutions.

By integrating soft and hard landscaping with high-end outdoor features, we create harmonious and sustainable environments that enhance both residential and commercial spaces. Let us bring your vision to life with our expertise and commitment to excellence.

Garden Construction Services

Transform your outdoor space into a lush, inviting haven with our expert garden construction services. At Al Tayeb Water Technology W.L.L, we specialize in turning visions into vibrant landscapes by designing and building gardens that reflect your personal style and suit your property's unique features. Whether you're looking for a tranquil retreat, a family-friendly yard, or an elegant entertainment area, our team has the skills and experience to bring your ideas to life from the ground up.

Our garden construction process is rooted in quality craftsmanship and thoughtful planning. We handle everything from site preparation and soil improvement to hardscaping, irrigation systems, and planting. Using top-tier materials and sustainable practices, we create gardens that are not only beautiful but built to last. Every element—from stone pathways and raised beds to water features and pergolas—is carefully installed to enhance both form and function.

At Al Tayeb Water Technology W.L.L, we understand that a garden is more than just greenery—it's an extension of your home. That's why we work closely with you throughout every phase of construction, ensuring that the final result reflects your vision and lifestyle. Whether starting from scratch or revamping an existing layout, our garden construction services promise a seamless, stress-free experience and a stunning outdoor space you'll enjoy for years to come.

Garden Maintenance Services

At Al Tayeb Water Technology W.L.L, we understand that a beautiful garden requires consistent care and expert attention. Our garden maintenance services are designed to keep your outdoor spaces lush, healthy, and perfectly manicured throughout the year. Whether it's a residential garden or a commercial landscape, we tailor our maintenance solutions to meet the unique needs of each client, ensuring your garden remains a vibrant and welcoming space.

Our skilled team provides comprehensive maintenance services, including lawn mowing, pruning, fertilization, pest control, irrigation system checks, and seasonal cleanups. We use high-quality, eco-friendly products and follow best horticultural practices to promote long-term plant health and sustainability. With our regular maintenance schedules—available on a weekly, bi-weekly, or monthly basis—we take the stress out of garden care, so you can enjoy your green space without the hassle. At Al Tayeb Water Technology W.L.L, we go beyond simple upkeep; we nurture your landscape to thrive and grow. Our experienced gardeners and technicians are passionate about creating and maintaining green environments that not only enhance the beauty of your property but also add to its value. Trust us to keep your garden flourishing all year round with reliable, professional service and a personal touch.

Hard Landscape & Outdoor Installation

We specialize in hard landscaping and outdoor installations that bring structure, functionality, and lasting beauty to your outdoor spaces. From elegant patios and pathways to retaining walls, pergolas, and decorative stonework, our expert team designs and builds features that complement your landscape and elevate your property's appeal. We combine creative design with durable materials to ensure every element not only looks great but stands the test of time.

Our hard landscaping services are tailored to match your vision and lifestyle. Whether you're looking to create a cozy seating area, a stylish BBQ zone, or a functional driveway, we take care of everything—from concept to completion. Our outdoor installations also include lighting systems, garden edging, decking, and water features, all crafted with precision to enhance both the aesthetics and usability of your space.

At Al Tayeb Water Technology W.L.L, we believe that a well-planned hardscape is the foundation of a great landscape. Our team works closely with clients to ensure every project meets their expectations in quality, design, and durability. With attention to detail and a commitment to excellence, we turn outdoor areas into beautifully crafted extensions of your home or business

Swimming Pools & Jacuzzi Works

At Al Tayeb Water Technology W.L.L, we offer expert design and construction of custom swimming pools and Jacuzzis to turn your outdoor area into a luxurious escape. Whether you're looking for a sleek modern pool, a resort-style oasis, or a relaxing spa Jacuzzi, our team brings creativity, technical expertise, and premium materials together to deliver a flawless result tailored to your vision.

Our services cover every stage of the process—from initial design and planning to excavation, structural work, plumbing, tiling, and finishing touches. We also integrate advanced filtration systems, energy-efficient pumps, LED lighting, and automated controls for convenience, safety, and long-lasting performance. Every pool and Jacuzzi is built with a focus on durability, aesthetics, and seamless integration with the surrounding landscape.

We understand that a swimming pool or Jacuzzi is more than just a feature—it's a lifestyle upgrade. That's why we prioritize quality craftsmanship and attention to detail in every project, ensuring your new addition becomes a centerpiece of relaxation and enjoyment for years to come. Whether for residential or commercial properties, trust us to deliver water features that combine beauty, comfort, and lasting value.
